

7th International Family Integrated Care Conference

Wednesday 2nd – Thursday 3rd October 2024
Hybrid Conference

Please join us at the [7th International Family Integrated Care Conference](#), Glasgow UK & virtual, 2nd & 3rd October, 2024.

[FiCare 2024](#) brings together international neonatal families, researchers and clinical teams to share the latest research, innovations and practical approaches putting families at the heart of neonatal care.

Key Themes at FiCare 2024

- Personalising FiCare – Does one size fit all?
- Communication with families – what works, what doesn't?
- Parent-led Co-design and Innovation in FiCare
- Music and Singing in the Neonatal Unit
- How do we know? Evaluating experiences of FiCare
- Regional and National models of implementing FiCare

International Speakers Include

- Mandy Daly, Irish Neonatal Health Alliance, Ireland
- Dr. Manuela Filippa, University of Geneva, Switzerland
- Prof. Cornelia Hagmann, Children's Hospital, Zurich
- A/Prof Nanon Labrie, UMC Amsterdam, Netherlands
- Nadia Leake, Parent and FiCare Advocate, UK
- Prof Karel O'Brien, Mount Sinai Hospital, Toronto, Canada

[Abstract submission](#) now open until 31st July 2024:

[Early bird registration](#) available until Tuesday 3rd September 2024
