

SAFE & EFFICIENT PARENTERAL NUTRITION IN NEONATES: *The Role of Licensed Multi-Chamber Bags*

Wednesday, 13 November 2024

10:00 -11:00 Central / 16:00 -17:00 GMT / 17:00 -18:00 CET

Real time translations will be available during this program: English, French, Spanish, German, Turkish, Russian

OBJECTIVES

After attending this webinar you will be able to...

- Understand the challenges of delivering safe and effective parenteral nutrition (PN) to neonates efficiently
- Identify opportunities to improve neonatal PN based on recent consensus-based guidelines
- Learn how adoption of licensed multi-chamber bags can improve safety, efficiency, and quality of neonatal PN delivery
